

Correction to: ProtPipe: A Multifunctional Data Analysis Pipeline for Proteomics and Peptidomics

This is a correction to: Ziyi Li, Cory A. Weller, Syed Shah, Nicholas L. Johnson, Ying Hao, Paige B. Jarreau, Jessica Roberts, Deyaan Guha, Colleen Bereda, Sydney Klaisner, Pedro Machado, Matteo Zanovello, Mercedes Prudencio, Björn Oskarsson, Nathan P. Staff, Dennis W. Dickson, Pietro Fratta, Leonard Petrucelli, Priyanka Narayan, Mark R. Cookson, Michael E. Ward, Andrew B. Singleton, Mike A. Nalls, Yue A. Qi, ProtPipe: A Multifunctional Data Analysis Pipeline for Proteomics and Peptidomics, *Genomics, Proteomics & Bioinformatics*, Volume 22, Issue 6, December 2024, qzaf083, <https://doi.org/10.1093/gpbjnl/qzaf083>.

The authors regret that there was an error in the “Acknowledgments” section. “The National Institute of Neurological Disorders and Stroke, the NIH, USA (Grant Nos. RF1 NS120992 and U54 NS123743) to Pedro

Machado” should be corrected to “The National Institute of Neurological Disorders and Stroke, the NIH, USA (Grant Nos. R01 NS120992 and U54 NS123743) to Mercedes Prudencio”. The correct section is shown below. The authors would like to apologize for any inconvenience caused.

Acknowledgments

This work was supported by grants from the Intramural Research Program of the NIH, NIA, NIH, Department of Health and Human Services (Grant No. ZIAAG000534), as well as the National Institute of Neurological Disorders and Stroke, the NIH, USA (Grant Nos. R01 NS120992 and U54 NS123743) to Mercedes Prudencio. We thank the NIH HPC system (*Biowulf*, <http://hpc.nih.gov>) for making this work possible.
