### Acknowledgments to Reviewers 2020

The editorial team of GPB wishes to extend a heartfelt thanks to the GPB reviewers who have provided valuable comments for manuscripts under consideration by GPB during 2020. Your contributions are vital for the ever-improving scientific quality of the journal. We have been seeing more and more submissions and accordingly a more stringent review process is expected. Please be aware of the rising bar of quality for the acceptable articles and look forward to your continued support in 2021!
